For Our New North Gate Ticket Booth!
For Our New South Gate Ticket Booth!
For Our New North Gate Utility Depot!
For Our New Trainer's Utility Vehicle!
For Our New Storage Depot!
For Pro Bono Professional Services!

The Foley Field Foundation is committed to raising funds towards continued improvements and ongoing maintenance at the Foley Field athletic complex now that the substantial and enduring new Grandstands have been completed courtesy of a 2011 NJ State Green Acres Grant of \$900K. The seating capacity of +/- 2,000 allows spectators to enjoy the state of the art playing surfaces that have already been installed. The Bloomfield Board of Education has approved our plans for the construction of a Two-Story Multi-Purpose Building which will provide a Concession Stand Area, Rest Rooms and Storage on the ground floor PLUS a separate Meeting & Events Facility on the second floor. A New North Gate Utility Depot and Trainer's Utility Vehicle were donated in 2015, A New Digital Message Board was donated in 2014 and 2 New Ticket Booths were installed in 2013. Football, Soccer, State Track Meets, Concerts, Band Festivals, Graduation Ceremonies, July 4th Celebrations, Fundraising Events and more... It's all right here at Foley Field!

PHASE III REVITALIZATION CONTINUES!

BLOOMFIELD BOARD OF EDUCATION APPROVED COMMUNITY ACTIVITIES BUILDING DESIGNED PRO BONO BY FALLON PACHECO ARCHITECTS

As a Registered 501(c) (3) non-profit organization under section 170 of the Internal Revenue code,
